Abhishek Singh

abhisheksinghmailid@gmail.com| **+91 9369XXXXXX | Noida | Github | Linkedin | Portfolio**

SUMMARY

Detail oriented Computer Science graduate with a strong foundation in data analysis, Python and SQL. Skilled in building interactive dashboards and leverages AI tools to accelerate workflows and automate processes for data driven decision making.

EDUCATION

Btech, Computer Science *Sep 2021 - Jun 2025*
Galgotias University, Greater Noida

Intermediate *Arp 2019 – Mar 2020*
New Standard Public School, Raebareli

SKILLS

Programming	Python, Data Structures & Algorithms
Data Analysis & Manipulation	Pandas, NumPy, Statistics
Data Visualization	Power BI, Matplotlib, Seaborn
Databases	MySQL, SQL
Tools	Excel, Google Sheets, Jupyter Notebook
Developer Tools	Git, Linux, Docker, AWS (EC2, S3, IAM)
Soft Skills	Technical Storytelling, Rapid Technical Adaptation

PROJECTS

InventorySync – Warehouse Efficiency Github

- Developed a warehouse analytics dashboard to clean, analyze, and visualize inventory and order data.
- Built a machine learning model to predict product demand and improve inventory efficiency.
- Tools: Python, Pandas, Machine Learning, Streamlit

Interactive Sales Performance Dashboard Github

- Designed an interactive dashboard to track revenue, sales trends, and product and region performance.
- Enabled data-driven decision-making through dynamic KPIs, filters, and clear visualizations.
- Tools: Power BI, SQL, Excel

Experience

Motioncut *Remote*

Python Intern *Apr 2025 – May 2025*

- Developed interactive Power BI dashboard using automated reporting data in GCP, reducing reporting time by 50%.
- Conducted comprehensive Exploratory Data Analysis (EDA) on raw datasets to uncover hidden patterns, outliers, and initial trends before formal processing.
- Processed and cleaned a dataset of 5000+ rows using Pandas and NumPy, ensuring 100% data consistency for downstream analysis.
- Designed 8+ complex visualizations using Matplotlib and Seaborn to identify key trends, assisting stakeholders in data-driven decision-making.

CERTIFICATIONS

1. Introduction to Artificial Intelligence (AI) ~ IBM *Mar 2024*
